EQUITY

STUDENT FUNDING	<p>Funds pass from state to the authorizing body acting as fiscal agent to the charter school. State School Aid Act guarantees that the charter school receives funding in the same manner as conventional public schools, but funds are dependent on the school district of residence and result in inequities. Authorizer administrative fee may be no more than three percent of a charter's state aid.</p> <p>"Beginning in 2008-2009, subject to subsection (7) and except as otherwise provided in this subsection, for pupils in membership, other than special education pupils, in a public school academy or a university school, the allocation calculated under this section is an amount per membership pupil other than special education pupils in the public school academy or university school equal to the sum of the local school operating revenue per membership pupil other than special education pupils for the district in which the public school academy or university school is located and the state portion of that district's foundation allowance, or the state maximum public school academy allocation, whichever is less." [MI Act 1979 PA 94 388.1620(4)]</p>
FACILITIES FUNDS	No Additional Funds.
