RE: School Choice Debate

Here's a chance for you to be heard and to make a difference!! Tomorrow morning, IntellectualCapital.com is releasing a four-part debate on School Choice. This debate is between Pete du Pont, former Delaware Governor, Nadine Strossen, ACLU President, Bob Chase, NEA President and Lisa Keegan, Arizona School Superintendent. This is a chance for us to counteract negative feedback on this topic.

We encourage you to log on to www.intellectualcapital.com and add your comments to the debate to help what we anticipate being a heavy turnout by BLOB supporters.
