Dear Friend:

*The Parents Network for Better Education* is a coalition of Georgia parents, educators and citizens rallying together to help Georgia families create better school options for Georgia's children.

With enormous population growth in Georgia communities and the growing list of schools on the NCLB Needs Improvement list, there is a burning need for more school choices. **Having more high-quality public school options, including more charter schools, will help meet this need.**

Please speak out now by contacting your Georgia State Legislators with one simple message: **GEORGIA FAMILIES NEED MORE PUBLIC SCHOOL OPTIONS!**

Please take **TWO MINUTES** to reach out **NOW**:

**1. Send an email!** Go to [www.edreform.com/GetActive](http://www.edreform.com/GetActive), choose Georgia, and click on the link that says **Help Bring More Quality Public School Options to Georgia**. Fill in your contact information and click the button to send your email. It's that easy.

**2. Pick up the phone and call!** Go back to [www.edreform.com/GetActive](http://www.edreform.com/GetActive), scroll down to Find Your Legislators, and enter your zip code.
