

CALIFORNIA CHARTER SCHOOL OPERATORS...

**HAVE YOU COMPLETED THE 2003 NATIONAL
CHARTER SCHOOL SURVEY?**

**IF NOT, PLEASE COMPLETE THE ATTACHED FORM AND
THEN MAIL OR FAX IT BACK TO THE CENTER FOR
EDUCATION REFORM.**

- The Survey deadline is April 11, 2003. If you wish to be included complete this form to ensure that the true story of charter school success is told.
- Now in its Eighth Edition, the *Directory* serves as the nation's only guide to all of the operating charter schools, their sponsors and information on their focus and how they operate.
- It is widely circulated and used by policymakers and parents alike, and demonstrates how far we've come in just the few short years charter schools have been around.
